

Wearing Masks in Secondary School

where do I need to wear a mask?

in the corridor

open area

communal areas

on school bus

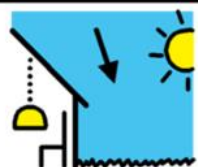

when do I not need to wear a mask?

while eating or
drinking

in class

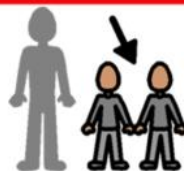

outside

Some people do not need to wear masks or face coverings such as

some people who require
communication support

children under 5

some health
conditions

Some people may want to wear one in class or outside. This might make them feel safer and that is okay.
