

# “Empowering Our Pupils” Curriculum

At City of Armagh High School, our vision is for all pupils to become confident, well-rounded individuals who strive to make the most of every opportunity and aspire to achieve their full potential. Our staff, both teaching and nonteaching, work tirelessly to provide high quality pastoral provision to every boy and girl in our care as part of this vision.

When joining City of Armagh High School, your child begins a **pastoral journey** which is **carefully** planned across five years to ensure provisions are adequate, relevant, age appropriate and always child centred. The 'Empowering the Pupils Curriculum' is **based entirely upon feedback**, via surveys, questionnaires and interviews from parents/carers, pupils, staff and a range of stakeholders.

health  
day 2023

City of Armagh  
High School

At City of Armagh High School, we completely understand the importance of pupils' **emotional well-being**, especially in the current climate and ever-growing external pressures. **We seek to equip our pupils with skills, coping mechanisms** and the ability to manage their emotional and mental well-being in a positive manner, even when the challenges of life are all too apparent.

The **'Empowering Our Pupils Curriculum'** we have in place assists pupils to develop holistically, and we hope that such provisions will **equip them with the skills** and ability to make well thought-out and informed decisions throughout life. As parents ourselves, we all want our children to be **happy, successful, and safe.**

The *‘Empowering Our Pupils Curriculum’* provided to the pupils at City of Armagh High School combines a mix of teacher led delivery and a range of external agencies with a specialisation in their field.

## Year 8 Reach Workshop

City of Armagh  
High School

You were designed to be able to face  
change, to be able to learn and to  
move forward.

**City of Armagh High School** continues to engage with a range of outside agencies to support and enrich the delivery of the established programmes. This involvement from outside agencies **positively builds** on all that is delivered and discussed within the school community.

We are proud to say that throughout the year our school prefects and mentors also deliver workshops on key pastoral issues to their peers.

Please see use this link to find out what we provide for our pupils to help them grow as individuals.
